### ❖ **Personal Details.**

- Nationality: Kenyan
- Gender: Male.
- Marital status: Single.
- Languages: Proficient in English and Kiswahili.

### ❖ **Professional Summary.**

A dedicated and passionate educator specializing in Physics and Chemistry, with a Bachelor of Education Science degree awaiting graduation at Machakos University. Skilled in delivering effective instruction and creating engaging learning environments that enhance student understanding and performance. Committed to fostering academic excellence and motivating students to achieve their full potential.

### ❖ **Career Objective.**

To leverage my expertise in Physics and Chemistry education to inspire students, enhance academic performance, and foster a deeper understanding and appreciation of science. I aim to create an engaging and inclusive learning environment while contributing to the school's academic excellence and co-curricular development.

### ❖ **Education**

#### **1. 2021 – 2024 Machakos University.**

*Bachelor of Education Science (Physics and Chemistry)*

Waiting Graduation.

#### **2. Jan 2017 – Dec 2020 St. Francis Boys High School Suwerwa.**

*Kenya Certificate for Secondary Education (K.C.S.E)*

#### **3. 2008 – 2016 Kapcherop Primary School**

*Kenya Certificate for Primary Education (K.C.P.E)*

## ❖ **WORK EXPERIENCE**

### **Attachment Teacher**

*Kathiani Girls' High School- May 2024 to August 2024*

- Taught Physics and Chemistry to students across different forms.
- Developed lesson plans and conducted interactive classroom sessions.
- Designed and facilitated practical experiments in the laboratory.
- Evaluated student performance through tests and assignments.
- Provided individualized academic support to students needing extra assistance.
- Maintained discipline and created an engaging learning environment

## ❖ **SKILLS AND COMPETENCIES**

- **Lesson Planning:** Skilled in developing and implementing detailed lesson plans aligned with educational objectives.
- **Student Engagement:** Proficient in creating interactive and inclusive classroom environments.
- **Practical Demonstrations:** Experienced in conducting laboratory experiments and ensuring safety protocols.
- **Classroom Management:** Capable of maintaining discipline and a conducive learning atmosphere.
- **Communication:** Strong verbal and written communication skills for effective instruction.
